Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement.

On your first school day, you'll have a placement test, your first lesson and a welcome tour of the city/campus.

Homestay students spend the evening with their host five times a week. There are evening activities twice a week. Sundays are also spent with the host.

Activities are varied and fun. You'll go on trips and local visits and you'll develop your creative, physical and team-building skills with fun challenges.

Local visits may include museums, galleries, trips to nearby towns and villages, and countryside walks.
